MERCED AUTO BODY SHOP ACCUSED OF FRAUD

Inspection of consumers' vehicles revealed auto body shop fraudulently charged consumers and insurance companies thousands of dollars

SACRAMENTO, CA – An accusation against FH & Sons Auto Body & Paint, a registered auto body shop located in Merced, California, has been filed before the Director of the Department of Consumer Affairs by the Chief of the Bureau of Automotive Repair (BAR). The accusation, which alleges numerous violations of the Automotive Repair Act, including acts of defrauding consumers and insurance companies of thousands of dollars, will be prosecuted by the Office of the Attorney General.

During an investigation into FH & Sons Auto Body & Paint's business practices, BAR inspected several consumers' vehicles that had been repaired by the auto body shop as well as the related records pertaining to the insurance claims for the repairs. The inspections revealed a pattern of false and misleading statements and fraud wherein the auto body shop charged for parts that were not provided or services that were never performed.

BAR encourages other consumers who believe they may have been a victim of similar business practices to contact BAR at (800) 952-5210 or file a complaint online at www.bar.ca.gov. Additionally, consumers who have had collision repairs performed on their vehicle can request a no-cost auto body inspection by submitting a request online or by calling BAR's Auto Body Inspection Program at (866) 799-3811.
